

How to create your **NEW** online username | and password |

In an ongoing effort to protect your business and personal information, a new global security enhancement is being implemented. Starting **November 9**, you will need a unique username and password to log into **jm.MyHerbalife.com** and access your online business tools.

FIVE EASY STEPS GET YOU STARTED:

Login

HERBALIFE®

Username

Password

[Forgot username?](#) [Forgot password?](#)

Sign in

Create an Online Account

[Frequently Asked Questions](#)

1

Go to **jm.MyHerbalife.com**. You will then be prompted to create a unique username and password.

2

Click **Login** and this will take you to a new login screen.

3

Once on the login screen, click **Create an Online Account** to create your new online username and password.

4

Set up your security questions. This will help you retrieve your username or reset your password if by chance you forget them in the future.

5

You are all set!

Use your new username and password to access:

jm.MyHerbalife.com | m.myherbalife.com (Mobile MyHerbalife) | [HL Mobile+](#) (iOS App) | [BizWorks Mobile](#)
